Thank you for your interest in Covington Co-op! Our preschool program for children and parents is designed to meet the needs of both of you! By being present and participating in the classroom, parents can dramatically influence a child's enthusiasm for school. As part of the co-op, parents attend an on-site parent education class as well as an evening class meeting once per month. In addition, each family holds a class job and is responsible to complete two housekeeping shifts and one 2 ½ hour commitment for the school year. Families are also responsible to participate in some of the various fundraisers. In exchange for their involvement, parents pay a comparatively low tuition rate, receive beneficial parent education, and are enabled to form supportive networks with other parents.

Each of our classes provides a developmentally appropriate curriculum in the areas of art, sensory, dramatic play, large and fine motor skills, music, dance, literature and science. Children's natural curiosity is supported as they seek to understand the world around them. Hands-on experiences, imaginative play and self-help skills are encouraged. Problem solving and social skills are an integral part of our preschool experience.

Our teacher, Mrs. Brown has been with Covington Co-op since 1979. She is extremely loving and respectful of the children. She is attuned to each child's unique personality and works to understand their individual needs. She has four children of her own, eleven grandchildren, and manages to find the time to attend continuing education seminars. Should you choose to enroll your child in our program, please review the following list of parent requirements, fill out the registration form and mail it to our preschool.

The amount due upon registration includes

- 1. A \$50 nonrefundable fee (\$70 for two or more children)**
- 2. A month of tuition (applied to May 2021, and refundable by request only.**

This only applies should the family withdraw before April 2021, and is current on tuition).

***The \$130 parent education and insurance fee due by October 15th is non-refundable.**

When two or more children enroll from the same family, the more expensive tuition is full price, and the second child receives a 25% discount on tuition only.

Checks should be made payable to Covington Co-op Preschool with the child's name and class color written in the memo section. Scholarships are available on the basis of financial need, and in accordance with our by-laws and non-discrimination policy. Registration priority is given to current Covington Co-op families in good standing who register during the week of February 4-8th, followed by Alumni families who may register Feb 11-12th. Public registration begins February 13th, when we will have an Open House. Classes will then be assigned first come, first serve based on availability.

Covington Co-op Preschool does not discriminate on the basis of race, color, national or ethnic origin.
