Wise Words From Mrs. Brown :

Dear Co-op Preschool,

First, I want to thank everyone for all of the cooperation and understanding, that you have shown to make this preschool the BEST. We would not be the Preschool we are without you. **Thank you, Thank you !!!!!**

From this point on, you should start to see some big changes in the children. March, April and May, (our last trimester) is when the children start to put into practice what they have been learning up to now. I can see that they are becoming more independent and using their words to communicate what they want. They need to show us how well they have mastered the skills they have gained. Now is when they need to have our time and attention, to have the adults doing more listening than talking and more smiling than frowning. Let's enjoy these last three months while we can. Try and stand back, take a deep breath and observe how capable these children are becoming.

LET'S TRY TO BE IN THE MOMENT AND NOT CAUGHT UP IN THE FUTURE. Our Future is important but remember to enjoy today .

Sincerely,
Karen Brown

Covington Co-op Preschool has a multisensory developmental approach to stimulate the five senses, sight, touch, hearing, smell and taste. We do that through creative activities based on children's interests and needs. We as teachers of our children, will be providing a **Creative Climate** to develop a **Creative Ability**.

<u>Creative Climate</u> is:	To stop the automatic NO To defer from Judgment To allow the sharing of ideas to solve problems
<u>Creative Ability</u> is:	To see things in a new or different way To take risks To not feel fearful of being wrong.

Sensory Experiences form the base for development of abstract ideas

To teach children too early so they learn by rote memory is to deprive them of the joy and Excitement of meaningful discoveries. It fills their heads with things they know but do not understand.

I Hear and I Forget - I See and I Remember - I Do and I Understand

Funds generated at the auction that allow scholarships to families, as-well-as continuing access to new teaching materials for Mrs. Brown. From toys to furniture, if the item may hold value to someone else, bring it into the preschool or contact Sarah Hourihan, the Auction Chair, to discuss need and storage.

FUNDRAISERS

“FUN”draising!

Each of our awesome families has a \$75 fundraising commitment (\$100 if you have more than one child enrolled) each school year. Your class vice chair will also let you know each month how much you have left to raise towards your fundraising goal. Please let your class vice chair know if you have questions anytime about fundraising. Thank you preschool families! We look forward to another great year!

We are fortunate to be able to have a Color Street consultant that is willing to donate a portion of the proceeds of your sale towards your commitment. The amount will be determined at the end of the party. We will have an online party, and a party at the school so we can see and try some of the samples available. These are nail strips that are made from nail polish.

Tulips: will be delivered to the preschool on Monday, 3/25.
Delivery time tbd, please watch your emails for more information.
If you are hoping for specific colors, please plan to stop by promptly, as it will be first come first serve.

The pre-sale for the **Plant sale** started this Monday, orders will need to be turned in by Friday the 29th. Plants will be delivered May 3rd just in time for Mothers day! Helping at the Plant sale will be one of the few signups left this year to fulfill your work commitment.

Due to popular demand we will be having another **Ferpie and Frey candle** fundraiser next month! Watch for order forms in mid-April, and candles will be delivered just before Mother's Day!

A reminder from your Handbook :

With the flu season upon us, we'd like to remind you to keep your littles at home if they are feeling under the weather or showing any signs of a cold or flu. The following are some guidelines (can be found in your handbook) to follow :

When to Keep Your Child Home:

1. If your child has a fever or has had one during the last 24-hour period.(Call the Lab Coordinator if you're not sure what to do.)
 2. If your child is taking an antibiotic that affects their participation.
 3. If your child has a cold that interferes with their full participation in school activities - including outdoor play.
 4. If your child has a heavy or colored nasal discharge. (Usually indicates bacterial infection, requiring antibiotics.)
 5. If your child has a constant cough not related to allergies.
 6. If your child is fussy, cranky and generally not themselves.
 7. If your child is just tired. Rest may prevent the development of serious illness.
 8. If your child has symptoms of a possible communicable disease.
- (These are usually sniffles, reddened eyes, sore throat, headache and abdominal pain, plus a fever.)

What is a 2 ½ hour commitment?

It is DIFFERENT than the housekeeping requirement. For each child enrolled, each family must sign up to do two housekeepings during the school year. Sign ups for housekeepings will be on your class board. Each family is responsible for one 2 ½ hour commitment. These are opportunities throughout the year to help out at events such as auction, the plant sale, Walk Your Block, pancake breakfast, etc. Sign ups will be posted on the fundraising board as events are planned.

A note from our Parent Ed Instructor:

Cooperative Families,

I have some exciting news! The preschool has found our next Parent Education Coordinator/Facilitator. Jacqueline "Jackie" Uhlemann accepted the position for next school year and will begin Job Shadowing this month. I will be informing parents of which parent education classes she will be attending when she and I confirm a schedule. Jackie will begin her official employment in August once my contract is fulfilled but she will be participating at our site during these last few months of this school year.

Jackie participated in cooperative preschool with her children and loved the experience so much, she went back to school to get her Master's degree in Counseling Psychology in order to help support families. She has worked in the Counseling field with Parents since 1999. She has also volunteered on a Board that helped support Cooperative Preschools. Jackie has adult children and grandchildren. She recently relocated to the Pacific Northwest to be closer to her daughter and granddaughter.

She is very excited about joining our Coop Family and has some wonderful ideas for Parent Education and we are feeling thankful to have found someone who passionately supports the cooperative preschool philosophy.

Sincerely,

Aimee Evans
